**ALLOY SILVERSTEIN LAUNCHES ANNUAL EXTERNSHIP DAY PROGRAM**

Alloy, Silverstein, Shapiro, Adams, Mulford, Cicalese, Wilson & Co, the 22nd largest accounting firm with offices in the Philadelphia area, recently gave aspiring accountants an inside look at the world of public accounting. On January 15, students from various local colleges and universities visited Alloy Silverstein's Cherry Hill office for a three-hour session covering a multitude of topics including life as a CPA and surviving tax season. They also received valuable tips regarding resumes and job interviews.

"Our goal is to give students a competitive advantage in the job market through interaction with our established professionals," said Ren Cicalese, managing shareholder of Alloy Silverstein. "We hope they will use the knowledge they have gained from this experience to not only determine what type of firm is right for them, but also to successfully obtain the job they desire."
